

NileGate Properties

Real Estate Company Knowledge Base — RAG Practice

1. About the Company

- NileGate Properties is a fictional Egyptian real estate company created for AI automation and RAG practice.
- The company helps customers find residential properties in New Cairo, Sheikh Zayed, and 6th of October.
- NileGate provides property sales assistance, project information, payment-plan guidance, booking support, and after-sales assistance.

2. Projects

- **New Cairo Heights:** A residential project in New Cairo offering apartments with 1, 2, and 3 bedrooms. Units start from 2,200,000 EGP.
- **Gardenia Residence:** A residential project in New Cairo offering 2- and 3-bedroom apartments. Prices start from 3,500,000 EGP.
- **Zayed Hills:** A residential project in Sheikh Zayed offering apartments and villas. Prices start from 3,900,000 EGP for apartments and 8,000,000 EGP for villas.
- **October Gardens:** A residential community in 6th of October offering apartments and twin houses. Prices start from 2,700,000 EGP.

3. Payment Plans

- Standard plans may start with a 10% down payment and spread the remaining amount over up to 8 years.
- Some projects offer a 15% down payment with installments over 7 years.
- Exact terms vary by project and unit and must be confirmed before booking.
- Administrative and maintenance fees may apply.

4. Booking Process

- 1) Select a suitable property. 2) A sales representative confirms availability, price, and payment plan. 3) Provide booking information. 4) Pay the applicable booking amount. 5) The sales team prepares reservation and contract documents.
- The AI assistant must not claim a property is reserved until a sales representative confirms it.

5. Delivery

- New Cairo Heights: deliveries expected from 2028.
- Gardenia Residence: deliveries expected from 2027.
- Zayed Hills: deliveries expected from 2029.
- October Gardens: deliveries expected from 2027.
- These are estimates and should be confirmed before purchase.

6. Maintenance and After-Sales

- NileGate provides after-sales assistance for maintenance requests, contract questions, and handover support.
- Maintenance fees depend on the project and unit type.

7. Refund and Cancellation Policy

- Cancellation and refund rules depend on the project and signed booking agreement.
- The AI assistant must not promise a refund or amount without confirmation from the sales or contracts team.

8. Contact and Working Hours

- Sales: Sunday–Thursday, 10:00 AM–7:00 PM Cairo time.
- Customer support: Sunday–Thursday, 9:00 AM–6:00 PM Cairo time.
- Friday and Saturday: closed for regular support.
- Sales: sales@nilegate.example | Support: support@nilegate.example | Phone: +20 100 555 0147

9. FAQs

- **What areas do you cover?** New Cairo, Sheikh Zayed, and 6th of October.
- **Do you offer apartments?** Yes.
- **Do you offer villas?** Yes, in Zayed Hills.
- **Can I pay in installments?** Yes, plans vary by project and unit.
- **What is the minimum down payment?** Some standard plans start at 10%.
- **Can I book online?** The assistant can collect information, but a sales representative must confirm the booking.
- **Can the AI confirm real-time availability?** Only with access to a current property inventory tool.

10. AI Assistant Rules

- Never invent prices, availability, payment plans, delivery dates, or policies.
- If information is unavailable, say so clearly.
- Use this knowledge base for company/project information and a connected property database for current inventory.
- Do not claim that a booking, payment, or callback was completed unless a connected tool confirms it.
